

TOP CHRISTMAS GIFTS FOR YOUR FUR-KIDS

(AS TESTED BY HIGHWAY 24 VET CLINIC STAFF PETS)

The Kong Wobbler, as tested by Finnegan, is a great toy for cold winter nights. Fill it with your dogs evening meal and watch them work for their dinner. Dogs find this toy fun, owners find it a great distraction!

The Yeoww! Yellow Fish, as tested by Samson, Jazz, Hobbes and Charlotte, is full of stimulating catnip, and the size and shape of the fish makes it easy for cats to pick up and carry around!

The Kong Squiggles toy, as tested by Finnegan and Zack, features a tennis ball and a stuffed head attached by a fuzzy-covered elastic! This toy is great for playing tug and makes an excellent fetch toy! Bright colors make it easy to find in the grass!

The Tricky Treat Ball, as tested by miss Molly, is a toy that combines fun with food! Fill it up with kibble and watch your pooch roll it around to try to get to the goodies! Perfect for pudgy pooches!

The Kong Moppy, as tested by Arthur and Jasmine, has it all—it's soft, it's fuzzy and it has feathers to entice even the more idle cats to play! You won't find this toy hidden under your furniture!

The Invincible Snake, as tested by Wellington, comes in a 3-squeaker or a 6-squeaker version to provide endless hours of play. While not an ideal toy for destructive dogs, puppies will love dragging this guy around the house!

The Kong Fuzzy Bird, as tested by Charlie and Milo, has a long tail that makes it wonderfully easy to carry around the house. Cats love the crinkle-belly and the super soft texture of this adorable toy!

For the fashion savvy dogs in your life who simply can't have a collar "off-the-rack", Collar Mania will create a custom made piece of art that your neighbors' dogs will be jealous of! Just ask Obi, who proudly sports an entire collection of these collars!

The Cat dancer, as tested by Shere Khan and Lord Kevin Plunder, seems almost too simple to be this fantastic! This toy comes in three versions, each with a different type of "prey" on the end of an irresistibly bouncy bit of wire. This toy will keep your cat amused for hours!

The Color-Me Cat Castle, as tested by Lexi and Conrad, proves fun for both the cats AND the owners! Kids will love decorating the cardboard castle, and cats love to hide inside or perch on top this regal home. Cats rule our hearts, give them a castle suited for any king or queen!

Christmas means the temperatures have dropped! Dogs like Buddy Girl LOVE the Chilly Dog line of jackets and coats. These practical and Canadian made items mean your best friend never has to miss a walk due to weather!
